Sonic The Hedgehog 2 Classic Mod Apk is an action game that combines elements of parkour and adventure, where players will venture again in the world of the famous Sonic the blue hedgehog and defeat the evil forces of Doctor Eggman. Sonic The Hedgehog 2 Classic Mod Apk Game Content Sonic The Hedgehog 2 Classic Mod Apk restores the style of SEGA, and players can sprint as much as they want in Sonic's world. There are three main optional characters, the protagonist Sonic the hedgehog, the red echidna Knuckles, who is also good and evil, and Tails, the yellow fox with a high IQ. Players will choose one of them to go on an adventure, collecting circles in the level to get more points. Each level has a time limit, but these are a piece of cake for skilled players. Sonic The Hedgehog 2 Classic Mod Apk Game Operation The corresponding buttons on the left side of the Sonic The Hedgehog 2 Classic Mod Apk screen control the movement of the character, and the corresponding function buttons on the right side enable players to jump and rotate. When spinning, the character controlled by the player will turn into a ball with an attack output judgment. The boss at the end of each level needs to use this state to attack to pass smoothly. Collecting Chaos Emeralds can also transform your character into a super form. Sonic The Hedgehog 2 Classic Mod Apk has removed ads for players, players will be able to concentrate on the fun of sprinting. Sonic The Hedgehog 2 Classic Mod Apk's classic gameplay, interesting characters, and a relaxed plot will bring you back to an unforgettable childhood. Only the triple threat of Sonic, Tails, and Knuckles in this lineup of the team behind Sonic, Manny can beat him! The Sonic the Hedgehog 2 completes the ever-increasing range of the 'Sega Forever', a classic treasure of the free segment console. Bringing life to a mobile phone for the first time! Features From water caves to neon-lit casinos to twelve Badnik-affected areas! Compete online, take on Time Attack Mode and Brand New Boss Attack Mode! Play the Mystery Hidden Palace Zone that couldn't make it into the original release! Draw. Fighting Eggman's creations, including the terrifying Mac Sonic! Get all the Chaos Emeralds in Super Sonic and Super Knocks! Mobile Game Features Play free with ad-support or ad-free with in-app purchases Save your game Save your progress at any time of the game. Leaderboards - Compete against the world for high scores Control support: HID compatible controls Retro review "Without a doubt, this is Sega's best game." [% 96%] Stuart Clark, Mega Zone # 25 (December 1992) "Faster than the original, more colorful, louder and tighter." [% 96%] Julian "Jazz" Reginal, Mean Machine Sega # 2 (November 1992) "Packs a ton more punches than Blue's first raid." [%%%] Paul Anglin, Computer and Video Games # 132 (November 1992) Trivia With widescreen, 60 fps action, and a remastered soundtrack, Sonic is the perfect version of Hedgehog 2! It was the first Sonic game to start spinning. However, the master system version was the first game to appear. It was not playable! Unlike the original Mega Drive/Original, you can now fly as a tail! The animated film always attracts people and has become one of Sega's best-selling games in Japan, a very popular sports company. Sonic the Hedgehog 2 Classic extends the ings fur of Four Sega Forever with a growing customer base of one of the first free Sega Classics for mobile phones. It's really impressive. Is it compatible with older versions? Bad Dorcutter Eggman may have big plans that work a bit better. Find the Super Game from Sega Now! Dr. Eggman comes back with even worse ideas. He is always trying to find new tricks, constantly training his old tricks, trying to find a way to get over the seven-sided chaos that helps him succeed. The last weapon to bundle it is the egg of death. So what is the player's job? Of course, you become a superhero and save the world by becoming one of the three characters Sonic, Tails and Knuckles. Three of them are the three main characters in the film and the only one who can defeat the evil Doctor Kutter. Try to hit the machines, run the ice through the dangerous door, and slowly improve your character. It is up to you whether the world is peaceful or not. Dr Eggman is destroyed. Twelve areas from underwater caves to neo-optic casinos are infected with Badnick! Games Use online games, take part in Time Attack mode and Boss Attack mode is brand new! The Palace can play in the Palace area, which was originally released by no. Is! Dr. Fight creatively against Eggman and defeat the creepy Mac Sonic! Collect all the chaos pages to turn them into super sound and super ankle! When used, players are compensated for free ad-support or related games by purchasing in-app Update and track your progress throughout the game. Leaderboard - Compete with other players to win the highest score. Control Support: Compatible controller: There is also a version: Sonic the Hedgehog 2 Classic, which has completely different functions: This is an all-time version of Sonic the Hedgehog 2 with widescreen, 60 fps activity and extended soundtracks! This is the first Sonic game with spin dashes! The master system version is the first game in which the tails appear even though they do not play! Unlike the original Mega Drive / Genesis, the character's users can fly by the tail! There is no doubt about that. This is definitely one of Sega's best games. Not only beautiful, great, but also the ability to win is very advanced. Become a superhero of every world!
