WORDPRESS TIMELINE SLIDER

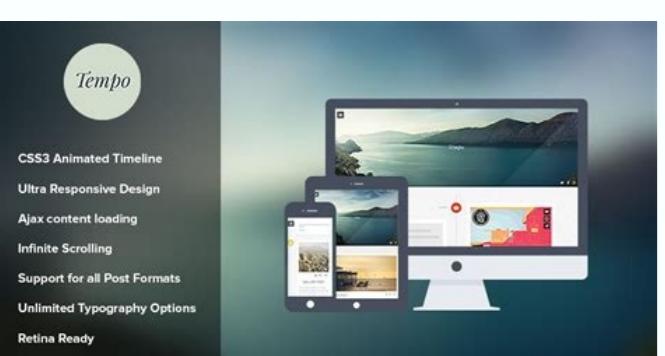

The Timeline Slider plugin for WordPress allows you to create a timeline slider on your website. It features a clean and modern design, with a large central slider and a sidebar for navigating through the timeline. The plugin is compatible with all major browsers and is touch/mobile optimized.

- extensive admin panel
- one minute installation
- all major browsers compatible
- touch / mobile optimized

jQuery
the easy way to code

DW TIMELINE PRO

DW Timeline Pro is a responsive timeline WordPress theme. It features a clean and modern design with a large central slider and a sidebar for navigating through the timeline. The theme is compatible with all major browsers and is touch/mobile optimized.

Cleaning company: You can use Cleaning Company for creating a website for maid service agency, cleaning company, janitorial bureau, and more. You can display your posts or events in chronological order with these themes. 14. Timelines are good for story telling and describing sequential events in an engrossing manner. AWSM is fully responsive, translation ready and includes .po & .mo files. Falcoâ€™s Muffin Builder allows you to customize sidebars, classes, layouts, and more without extensive coding. 7. This timeline theme comes with more than 20 shortcodes making it easier for you to add multiple page elements. Alliance: Alliance is a modern, clean and fresh WordPress timeline Theme with excellent performance and usability. Satab is built on CSS3, HTML5, Bootstrap and JQuery and comes with responsive design. This theme is compatible with Vimeo, Dailymotion, YouTube and other video sharing platforms. The Curator: The Curator is a beautiful timeline theme best for artists, museums and historians. It works well for blogs, resume, wedding, photography, or any such requirement. The theme has more than 300 theme options and 30+ post design variations. Cleaning company has features like online appointment booking, appointment management, quote & cost calculator, advanced contact forms, and more. Monstroid: Monstroid is a simple and leading timeline theme with drag and drop page builder. You can use this theme for your website if you want to build a website for the recycling center, waste management, eco-friendly organization and more. Satab: Satab is a modern artistic timeline theme great for creative projects. This theme is well suited for web projects and interior/exterior design studios. Hence they are very popular with developers and digital marketers. This WordPress timeline theme allows you to add a translation file to make your website reach global audiences with various languages.
